win S1 - win S2

The same for the number 3 - 4 of each group. The numbers 5 will play a 'semi-final' and 'final'.
Ofcourse will the losers of the quaterfinal and semifinals play there matches to reach a final ranking.

All matches in the first round are played on Saturday.

The following rounds are all knock-out games; quater-final, semi final and final

So the matches on Sunday need a winner (a draw isn't sufficient)
